**IF THINKING ABOUT FLYING
KEEPS YOU AWAKE, DREAMING
OF FLYING KEEPS YOU ASLEEP
AND IF GOING FLYING KEEPS
YOU ALIVE, THEN GO AHEAD**

GO AHEAD

Take control

With its aesthetically pleasing design and ease of piloting the Koyot 2 will fulfil your every need to fly. Progressive handling and total comfort places you the pilot in absolute control. The Koyot 2 listens to you, understands you and natural progression of experience in flight is the result.

Free yourself

Find and explore the true meaning of free flying. Take off, feel your feet lift from the ground, feel the wind in your face and dare to turn in thermals and experience the spiral staircase of lifting air to cloud base. Take advantage of the wind while it blows in your favour and allows the Koyot 2 take you far far away.

Think big

Progress and goals are often achieved by just thinking big and the Koyot 2 is big in every detail. Using the latest generation profile, competition technology and the highest quality materials the Koyot 2 is the answer to your thoughts. Look ahead, think big.
