
PEAK 2 STRENGTH, PHILOSOPHY AND PROGRESS

CROSS COUNTRY

NIVIUK.COM

A wing rich in new technology and features. High speeds, smooth acceleration, efficient climbs and a maximum glides are all standard features of the Peak 2. Maximise your true potential with the comfort of high security and ease of piloting. The Peak 2, a cross country wing above the rest.

Strength

Direct from the drawing board, a completely new and improved design, created to allow new flying sensations never before experienced, until now.

Philosophy

A wing designed with Niviuk philosophy and passion, where every tiny detail has been taken into account so you can write your own words in the sky.

Progress

Purely created to achieve optimum performance with maximum safety and to maximise pilot potential.
