WHY DREAM?

FREEDOM AND ADVENTURE

You have experienced free flight yet you dream of more, more freedom, more adventure. Now those dreams can be realised with the all new HOOK 2. Fly in complete comfort and harmony with a glider designed for performance and security, a glider designed to let you live your dreams.

SERENITY AND PLEASURE

The HOOK 2 with its innovative and elegant design opens the door to new free flight experiences. Discover new and far away destinations, experience wild adventures and ultimate freedom. The HOOK 2 will transport you there with a level of serenity and pleasure never before experienced in the air.

EVOLUTION AND REFINEMENT

The HOOK 2 has benefit from the evolution of the SLE (Structured Leading Edge) as used on the ARTIK 2. The result is an improved a leading edge, one more efficient and streamlined to that of the original Hook, one capable of dealing with the strongest of conditions whilst you safely and effortlessly explore new boundaries. A higher arc and a higher aspect ratio have been carefully calculated for improved performance yet the HOOK 2 maintains the ease of flying and high security achieved by the original Hook.

DREAMS BECOME REALITY

With attention to small details bringing you the ultimate flying pleasure the HOOK 2 reflects the true Niviuk passion for freedom and adventure. Designed by masters of their craft the HOOK 2 is a glider of elegance, performance and safety.

The perfect dream is one that can be lived - "Continue to dream, for they can now become reality.
